Major \_\_\_\_\_ Minor \_\_\_\_\_

Please answer the following questions on additional pages and return with the completed application form.

### Academic Involvement

Please include a list of any extracurricular activities, honors, awards and/or accomplishments. Please include any offices held and dates.

### Personal Involvement

Please describe your passion for advancing the field of ergonomics and demonstrate your interpersonal skills and social responsibility.

### Problem Solving

Please describe an ergonomics problem you have solved. Include a problem definition through task analysis, error analysis, operational analysis, etc., collection of any data on users, any statistical analysis, how the data was used, and the conclusion/findings or results.
